M.Sc. & Ph.D. Degree Graduate Programs in English Language

on

Nanoscience & Nanoengineering

Computational Mechanics & Manufacturing

Application Dates: 1 - 25 July 2013

Nanoscience & Nanoengineering

Required English Language & Academic Proficiency Skills

- 60 points for M.Sc., 65 points for Ph.D. from YDS* or their equivalent scores in other language tests (TOEFL, IELTS …)
- 60 points of ALES** or 647 points of GRE scores for M.Sc., 70 points of ALES or 685 points of GRE scores for Ph.D.

Graduation Requirements

B.Sc. Degrees for M.Sc. & M.Sc. degrees for Ph.D. from:

- All Engineering Fields
- Physics
- Chemistry
- Mathematics

For More Information:

www.fbe.sakarya.edu.tr
E-mail: nano@sakarya.edu.tr

Computational Mechanics & Manufacturing

B.Sc. Degrees for M.Sc. & M.Sc. degrees for Ph.D. from:

- Mechanical Engineering, Manufacturing Engineering,
- Civil Engineering, Industrial Engineering, Metallurgical and Materials Engineering, Computer Engineering,
- Mathematics Engineering

For More Information:
www.cmm.sakarya.edu.tr
